Membership Renewal

Hello Brisbug member,

Your Brisbug membership is due for renewal. The renewal fee for the next 12 months is $10.00.

As the Club now holds its meetings at the Mitchelton Library, the Club no longer holds a Public Liability Insurance. Members and any new members are advised to consider this and ensure it meets their needs for being a club member. You might contact Brisbane Council to see if its liability cover, covers them while on the premises.

Thank you for renewing your membership. Your continued support of the Club will enable it to meet your needs, expanding your knowledge of computing.
