Hi All,

Hope you have a good meeting this month I will be away on the day so won't be joining you.

We are ready for the AGM which will be held at the 15th September Meeting. Get your nomination in.

Fred's presentation has shown a way to load Windows 11 on old computers. I have tried it and found it put Windows 11 on but looks like it did not update and get the latest build. I probably did the auto unattended install wrong. I did try the Rufus method done when building the install USB using Rufus to using an ISO file. The option to bypass the hardware issue selected and then run.

It loaded Windows 11 and it looks like it upgraded. But it was otherwise a standard process and all the questions and bloat ran as usual. Still checking over time for any "stop" to it updating.

Bit of a squash with me away at the week before so have dropped the APCUG articles so I can get this up online in next couple of days.

All for now

See you at the meeting

Keith

Reports

Presentation and Education

Presentation:

Morning 11am. Can we get Win 11 on an old computer?

After Afternoon 1pm: Linux Ubuntu Mate workshop

Membership Report - Gary Woodforth

We had 8 members at the June meeting.

Note: due to my time away I have put in the Financial before Ross can give the accurate figure. With our history of 1cent from bank interest and no expenses this result should be right.

A verified result will be given at the meeting by Ross and adjusted if necessary in the next magazine.
Keith.

President

Secretary

Treasurer

- ❖ Nominations must be on the Nomination Form available from this Newsletter (Page 14) or from the Secretary.
- ❖ Nominations must be lodged with the Secretary at least 14 days prior to the AGM.
- ❖ The nomination Form is on page 19 of this magazine.

John's Jots

Q&A - July meeting

Car Theft + Technology

With the introduction of Convenience Features to new cars, these can provide security vulnerabilities.

The file - , Courtesy of the West Midlands Police - shows how vehicles with the keyless access facility can be stolen with ease.

<https://abcnews.go.com/International/high-tech-car-robbery-caught-tape-uk/story?id=51432787>

Right click on the video in the frame in the lower right corner of the screen and select Full Screen.

A web search with the string MODERN +VEHICLE +THEFT +USING +TECHNOLOGY' yields a list of references to what is happening in this field.

USB Cable Strain Relief

E-mail Client Change for MS Mail Server requiring additional security.

Update your sign-in technology before September 16th, 2024 to maintain email access.

From e-mail:-

The safety and security of your information is top priority for Microsoft. To help keep your account secure, Microsoft will no longer support the use of third-party email and calendar apps which ask you to sign in with only your Microsoft Account username and password. To keep you safe you will need to use a mail or calendar app which supports Microsoft's modern authentication methods. If you do not act, your third-party email apps will no longer be able to access your Outlook.com, Hotmail or Live.com email address on September 16th.

What do you need to do?

If you are receiving this email, you are currently using an email or calendar app that uses a less secure authentication method to connect to your Outlook.com email account. You will need to upgrade your third-party mail and calendar app to a version which supports modern authentication methods.

Microsoft provides free versions of Outlook for your PC, Mac, iOS, and Android devices which can be easily downloaded and connect to your email account. Using an updated version of an Outlook application will ensure you are connecting in the most secure way.

How can you set up your Gmail, Apple Mail, or other third-party mail application?

Various non-Microsoft applications will have their own steps for connecting to your Outlook.com email account using modern authentication methods. See our help

article - Modern Authentication Methods now needed to continue syncing Outlook Email in non-Microsoft email apps. However, you may need to contact the creators of those applications to provide you with instructions. In many cases, simply removing and re-adding your account with the latest version of that application will configure it to use modern authentication methods.

URL:

<https://support.microsoft.com/en-gb/office/modern-authentication-methods-now-needed-to-continue-syncing-outlook-email-in-non-microsoft-email-apps-c5d65390-9676-4763-b41f-d7986499a90d>

Improving Security - Together

URL:

<https://techcommunity.microsoft.com/t5/exchange-team-blog/improving-security-together/ba-p/805892>

I would expect that Web Mail access is not affected.

Note: This record of the Q&A session topics relies on my biological volatile memory (a.k.a. the 'forgettery').

The Best Encryption Software for 2024

By Neil J. Rubenking Jul 30, 2024

Just because you have antivirus software installed on your PC doesn't mean a zero-day Trojan can't steal your personal data. The top encryption software keeps you safe from malware (and the NSA).

<https://au.pcmag.com/encryption/43284/the-best-encryption-software-for-2020>

SSD vs. HDD: What's the Difference?

By Tom Brant July 26, 2024

Solid-state drives have replaced hard disk drives as the storage of choice in just about all new PCs, but some

situations still call for old-school platter drives. Here's how to decide which is best for your needs.

https://www.pcmag.com/comparisons/ssd-vs-hdd-whats-the-difference?utm_source=email&utm_campaign=whatsnow&zdee=gAAAAABjNL8ST42I80nl07cPB3qfRUi6ntgUgOTESELeSDIZFhs8z4qnm0Ls_AknqLVhZpQWW_1djicVKNaoSBZ5eIt2gM0-Tu64aKwciwXzXGx5QU6ZfE%3D

Release Notes:

Optimized Disk Cleaner: added support for 'Corel VideoStudio Pro x9' and 'SketchUp Make 2014'

Optimized Tracks Eraser: added support for 'Corel VideoStudio Pro x9' and 'SketchUp Make 2014'

Optimized Software Update: optimized the version comparison algorithm, and increase the comparison speed by 30%

Optimized Empty Folders Finder: add folder delete validation to prevent accidentally deletion of non-empty folder

Minor GUI improvements

Minor bug fixes

Glary Utilities is a freeware with registry and disk cleaning, privacy protection, performance accelerator and amazing multifunctional tools. It can fix dogged registry errors, wipe off clutters, optimise Internet

speed, safeguard confidential files and maintain maximum performance.

It is designed for both novice and professionals. User-friendly interface shows clear & detailed directions. For novice, all work can be done with just 1 or 2 clicks, while for professionals, abundant options are available.

Key features:

Optimise, clean and boost the speed of your Windows.

Protect your privacy and security.

Block spyware, trojans, adware, etc.

Fix certain application errors.

Simple, fast and user friendly interface.

For private use only.

BRISBUG PC USER GROUP INC
4 Bacall Place Stafford Heights , QLD 4053
NOMINATION FORM

Please return completed form to "The General Secretary" at the above address

NOMINEE I,hereby accept nomination to serve on the Management Committee of **BRISBUG PC USER GROUP INC** for the term commencing from the next Annual General Meeting of that group and ending at the Annual General of the following year. I understand that this nomination will only be valid if I am a "fully paid-up" financial member of BRISBUG (as defined in its Constitution) PRIOR to the official commencement of the Annual General Meeting, at which the vote for election to the position for which I am nominating is taken.

POSITION FOR WHICH I AM BEING NOMINATED

NOMINEE'S SIGNATUREDATE

NOMINATOR

I, hereby nominate the above-named for election to the requested position on the Management Committee of BRISBUG for the term indicated. I acknowledge this nomination will be void if it is found that I am not a "fully paid-up" financial member of BRISBUG as at the closing date for acceptance of written nominations in accordance with the BRISBUG constitution.

NOMINATOR'S SIGNATUREDATE

SECONDER

I, hereby second the above nomination for election to the requested position on the Management Committee of BRISBUG for the term indicated. I acknowledge this nomination will be void if it is found that I am not a "fully paid-up" financial member of BRISBUG as at the closing date for acceptance of written nominations in accordance with the BRISBUG constitution.

SECONDER'S SIGNATURE..... DATE

NOTE: Persons nominating for a position who have not had their membership formally accepted at a BRISBUG Management Committee Meeting shall be deemed to have had their application for membership formally accepted should they be elected to the position for which they have nominated.

Minutes of Brisbug PC User Group Inc

ANNUAL GENERAL MEETING

held at

Mitchelton Library, 37 Heliopolis Parade, Mitchelton QLD 4053

17 September 2023

1. President's Opening Remarks

The President, Keith Catts opened the meeting at 11:30 pm, and welcomed all those present.

2. Attendance

Attendance was as per the attendance register, 10 members. A Quorum was present.

Apologies:- Fred Stratford, Klaus Querengasser

3. Minutes of the Previous meetings:

The minutes of the Annual General Meeting 2022; advised that those minutes had been published in the August and September edition of the Club's magazine.

It was moved by G Woodforth and seconded by I Arney that the minutes of the Annual General Meeting of 18 September 2022, as published in the Club's magazine in August & September 2023 be taken as read and confirmed as a true record of the meeting. Carried.

4. Business arising from the minutes

There was no business arising from the minutes.

5. Correspondence

Correspondence Inwards has been received as follows:

- Office of Fair Trading

The usual form has been received from the Office of Fair Trading to be completed after the Annual General Meeting.

Correspondence Outwards

Application to the Mitchelton Library for use of the room through next year.

6. President's Report

Keith Catts advised that his report was published in the magazine and he confirmed another successful year at the library. Keith thanked members for their support during the year.

The report is repeated here.

President's Report for 2022-2023

Another year has passed and the club has 14 members and average 10 members attending each meeting.

We were grateful for the use of the Mitchelton Library meeting room with its excellent facilities.

I wish to give my thanks to the members of the committee for their continued service to the club in keeping it active and meeting the Association requirements.

Also my thanks to John Tracey for his continued leading of the Q&A sessions and the time and effort he puts in for "John's Jots" in the magazine, a lot of useful information and links to further detail on the information he provides. Thanks to Chris Haydock for continuing on with editing the magazine. Both these are valuable contact with members.

This year we explored the alternatives for Microsoft Windows and Office. With the increasing minimum specifications for Windows OS making many computer obsolete and the new to buy a later product, the question was asked, Do We Need Windows? And again Do We Need Office.

In reality most of us do not need the Microsoft at the costs now being imposed. Determined that Linux was now suitable for many of us and its "window's like" presentation was more than a suitable replacement and the cost is Free. We found at least 3 alternative "office" offering that were compatible to read and save files from Microsoft Office so able to work with files from other sources that are MS Office users creations.

I personally look forward to our meetings for what I can pick up and where I can assistance with some computer issues.

Without a doubt the area is becoming more and more crowded with ever expanding apps and what they can do, together with the increasingly sophisticated ways we are at risk from intrusions attempts on our computers and other devices, and now AI is "among us".

I hope you as members enjoy the meetings and from time to time find new ways the use the computer or to increase your knowledge and skills.

Join me in the coming year for a continuing examination of the changes in technology and its impacts.

Regards Keith

Treasurer's Report

Ross Skyring presented the Treasurers report for the year of 2022/2023.

The Financial Statement setting out the financial activities for the year is included in the September magazine, and will form part of the Annual Return of Association to Office of Fair Trading.

R Skyring moved that the Financial Report be accepted and passed as a true record of the Club's financial transactions for the year. Seconded by B Bailey :- Passed and carried.

The treasurers Report is repeated here.
